Detailed Results

This indicator provides an estimate of the ACT National Career Readiness Certificate (ACT NCRC) that students with this ACT Composite score are expected to receive. The ACT NCRC is a national standard for foundational work skills important for job success across industries and careers.

ACT Composite Score: The ACT Composite score is the average of the four subject scores. The score is rounded to the nearest whole number. If the student left any test completely blank, that score is reported as two dashes and no composite score is reported.

WRITING 9
The domain scores, which range from 2 to 12, are each a sum of the two raters' scores. The writing score is the average of the two raters' four domain scores rounded to the nearest whole number. To
